Special Joint Meeting minutes between Parks and Recreation and the Coe Park Memorial Committee, motion to approve Lori Chiron, 2nd Mary Zbell.

Committee Discussion:

Where are our “soft warm” Christmas lights? Why were the “cool lights” on the 2016 Xmas tree?

Old Business:

Now that the basement has been cleaned, what are the plans for the space now? Remain empty? Future storage? Any activity?

The committee revisited the sign(age) discussion after last year’s decision to abandon further signage in the park. The committee decided to reopen the topic if not to exhaust any possibilities of signage in other forms in addition to a “Coe Memorial Park” sign. It was discussed it would be prudent to broaden our scope of any and all potential signage requests for other purposes to identify signage including but not limited to; trees, specific areas, rules and restrictions, traffic and parking, identifying plaques, and buildings.

The Mity –Lite tables, Frank has brought to our attention that five more tables are missing. This brings the total to fifteen. It was also noted that the tables we were sitting at were marked differently. One was labeled Coe Park and the other one was not. What is our policy to identify the parks property?

New Business:

The existing floor polisher disposal and replacement was discussed.
The committee would like a budget proposal from Brett.

Meeting Adjourned 6:30 PM, Motion by Lori Chiron, 2nd Mary Zbell.
Respectfully submitted by Marc Trivella in the absence of Judy Addazio.
